What foster youth are saying about Teen Day:

I liked it all but especially liked meeting new friends who can understand me. We've stayed in touch.

After meeting the judge I felt excited about going to my hearing. Teen Day boosted my spirit.

I met kids that go through what I go through. It was helpful. Honestly, it was good.

Who is Eligible to Attend Teen Day ?

- Youth who are currently in foster care, age 14 through 18 *OR*
- Youth who were in foster care and went into legal guardianship or were adopted *after their 16th birthday*

This event is funded by the Hawaii Court Improvement Program, and supported by the Hawaii Department of Human Services, First Circuit Family Court, the Victoria S. and Bradley L. Geist Foundation, Friends of CASA Hawaii, HI HOPES, and William S. Richardson School of Law.
