What foster youth are saying about Teen Day:

I liked it all but especially liked meeting new friends who can understand me. We've stayed in touch.

After meeting the judge I felt excited about going to my hearing. Teen Day boosted my spirit.

I met kids that go through what I go through. It was helpful. Honestly, it was good.

Who is Eligible to attend Teen Day ?

- ◆ Youth who are currently in foster care, age 14 and older OR
- ◆ Youth who were in foster care and went into legal guardianship or were adopted *after their 16th birthday*

This event is funded by the Hawaii Court Improvement Program, supported by the Hawaii Department of Human Services, EPIC Ohana, First Circuit Family Court, the Victoria S. and Bradley L. Geist Foundation and coordinated by Family Programs Hawaii
