

Skills for Success

Working together to prepare
youth for adulthood

Please join us for an interactive six consecutive week training program which will be starting this February! Youth ages 14-18 who are currently in foster care AND their resource caregivers are welcome to join. Upon completion, potential interested youth will also be connected to [career shadowing](#) in the tourism industry as well as receive a [gift card](#). Also, resource caregivers will receive [six training hours!](#)

Trainings will be on listed topics: (1) social well being, (2) physical well being, (3) Financial, (4), Housing, (5) Intellectual potential, and (6) Employment, Career. Youth will learn soft skills in these different areas that'll help prepare them for adulthood and resource caregivers will receive suggestions on how to support youth in the different topic areas.
