## Hawaii DOE's Strategic Implementation Plan

### Priority 1

High-Quality Learning for all

- All students experience rigorous, high-quality learning that results in equitable outcomes for all learners.
- All students learn in a safe, nurturing, and culturally responsive environment.
- All students graduate high school prepared for college and career success and community and civic engagement.

## Major Initiative: Here to HELP

Implement the multi-year “Here to Help” plan to train and coach staff to support student well-being and to provide equitable, access to mental and physical health services through a continuum of school-level supports and community partnerships (SY2023-24).

### HERE TO HELP

Through the Hawaii Multi-Tiered System of Support (HMTSS), student-centered well-being and mental health practices are prioritized on campuses across the state.
