About Us

The **Student Services Branch (SSB)** serves as a vital support system for schools and complex areas, offering proactive leadership, expert guidance, and resources to navigate the complexities of state and federal educational initiatives. Through a multifaceted approach, SSB develops system pathways, facilitates professional development, fosters evidence-based practices, and empowers educators to meet the diverse needs of every student.

SSB Sections

English Language and Migrant Education

The English Language program aims to ensure equal access to educational opportunities for linguistically and culturally diverse students.

The Migrant Education Program provides educational and support programs for certified eligible migratory children on Hawaii Island and Kauai.

Medicaid Reimbursement

The Medicaid Reimbursement Section's mission is to maximize federal Medicaid reimbursement for eligible HIDOE students' health services through direct service and administrative claiming.

School Health

The School Health Section supports students' physical well-being to improve academic achievement by coordinating health services and partnering with public and private health agencies.

Student Support

The Student Support Section provides statewide leadership to strengthen the social, emotional, and physical well-being of students, their families, and communities, enhancing student achievement.

Project HI Aware2

The Project HI AWARE2 Section (PHA2) is part of a SAMHSA grant to support wellness and resiliency in education through partnerships and systems that address the mental health needs of our keiki.
